In Regards to PERB Proposed Regulatory Packages to be Considered on October 10, 2019

Dear Honorable Board Members:

This letter is being submitted on behalf of the California State University (CSU) in response to the Public Employment Relations Board (PERB) proposed regulatory action. The CSU concurs with the comments provided by Sloan Sakai Yeung & Wong LLP. Specifically, the comments under the Proposed Continuation Regulation section, the Revised Recusal Regulation section, and section 2 of the Revised E-File Regulation section.

The CSU appreciates the time and thought the PERB Board and staff have put into developing these proposed regulatory packages and for PERB's willingness to consider feedback on these important issues.

Sincerely,

Neha R. Shah
Manager of Systemwide Labor Relations
